

SAMPLE ITINERARY FOR 3 DAYS / 2 NIGHTS DANUM VALLEY TREASURES [EX-LAHAD DATU]

DAY ONE | ARRIVAL LAHAD DATU / DANUM VALLEY (Meals: Lunch & Dinner)

(Guests are suggested to take flight MH 3010 BKI ETD 06:10 HRS / LDU ETA 07:05 HRS)

Meet and greet with our experienced nature guide at Lahad Datu Hotels / Airport by 0830hrs and proceed overland journey drive via 4WD or van to Danum Valley Conservation Area. Enjoy the changing landscapes of the regenerating forests to virgin rainforests of 130-million year old Borneo's tropical rainforest! Upon arrival, register at DVCA Reception & Information Building and check-in after briefing by DVFC staff. Enjoy lunch provided at Dining Hall. After lunch, have a chat with your nature guide to plan your days at DVFC. Relax or take your power nap before going on a mid-afternoon walk around the centre as an introduction to the tropical rainforest. The area surrounding the center teems with wildlife and it is not uncommon for you to spot resident orang utan, red leaf monkey, sambar deer, wild boar, hornbills etc. Return to center before sundown and enjoy dinner at 1900hrs. After dinner, go on an included night walk with your nature guide in search for nocturnal animals or arrange for an optional 4x4 night safari (at your own expense).

DAY TWO | DANUM VALLEY (Meals: Breakfast, Lunch & Dinner)

Wake up early for morning nature and wildlife observation with your nature guide at 0600hrs to experience the pristine ambience of the rainforest as it has been for millions of years. Alternatively, you can also pre-arrange a 4x4 drive to Bukit Atur and be one of the first to greet the first ray of the sun as it touches the valley – please advise your nature guide in advance if you are keen on this so he may assist with the booking on your behalf (at your own expense). Return to center for your hearty breakfast and afterwards, embark on a trail in the area if you wish.

Spend late morning unwinding before lunch. After lunch, head off for another trek – there are various trails available for you to explore and your nature guide shall discuss this with you. Return to center in late evening, just in time to watch the sky changes colour as the daylight fades. After dinner, go for another included night walk with your nature guide in search for nocturnal animals or arrange for an optional 4x4 night safari (at your own expense).

DAY THREE | DANUM VALLEY / DEPARTURE LAHAD DATU (Meal: Breakfast)

(Guests are suggested to take flight MH 3019 LDU ETD 16:30 HRS / BKI ETA 17:25 HRS)

Wake up early for your morning nature walk at 0600hrs – ample opportunity for wildlife sighting. Return to center for your hearty breakfast and afterwards, rest or embark on a trail nearby the centre if you wish.

Pack your belongings for check out time at 1130hrs. Expected to arrive at Lahad Datu by 1400hrs for your onwards travel. **Tour Ends.**

***Note:**

The itinerary provided should be taken as guideline only as much of your day-to-day program will be determined by weather, wildlife sightings and the utmost importance, your fitness ability.

PACKAGE INCLUDES: Conservation Fee, Return Scheduled Land Transfer (0830 HRS LDU / DVFC on Arrival Day & 1130 HRS DVFC / LDU on Departure Day), 2 x Nights Accommodation at Danum Valley Field Center, Meal(s): 2 x Breakfast, 2 x Lunch & 2 x Dinner, Trekking Activities with Accompanying English Speaking Nature Tour Guide and Complimentary 1 x pair of Leech Socks.
